

**CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS OF
OBALON THERAPEUTICS, INC.**

As adopted October 5, 2016

I. PURPOSE

The purpose of the Audit Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Obalon Therapeutics, Inc. (the “*Company*”) is to assist the Board in fulfilling its oversight responsibilities relating to the Company’s financial accounting, reporting, and controls. The Committee’s principal functions are to oversee the integrity of accounting and financial reporting processes of the Company and the audits of the Company’s financial statements by the Company’s independent auditors (the “*Independent Auditors*”) and facilitate communication among the Independent Auditors and the Company’s financial and senior management and the Board.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee in fulfilling its purpose. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of the Company’s management and the Independent Auditors.

II. MEMBERSHIP

The Committee will consist of three or more members of the Board, with the exact number determined by the Board. Each member of the Committee will:

- be an “independent director” as defined under the applicable rules, regulations and listing requirements of the stock exchange upon which the Company’s common stock is listed, as amended from time to time (the “*Exchange Rules*”), except as may otherwise be permitted by the Exchange Rules;
- be “independent” as defined in Section 10A(m) of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), and Rule 10A-3 and any other rules and regulations promulgated by the Commission under the Exchange Act (the “*Commission Rules*”), except as may otherwise be permitted by the Commission Rules;
- not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years;
- have the ability to read and understand fundamental financial statements, including the Company’s balance sheet, income statement, and cash flow statement, and have sufficient financial sophistication and experience to perform the responsibilities and duties set forth below;
- be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member; and

- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

In addition, at least one member of the Committee will have prior experience in accounting, financial management or financial oversight, as required by the Exchange Rules, and be an “audit committee financial expert” as defined in Item 407 of Regulation S-K promulgated by the Commission.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the “*Chair*”); if the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings.

III. RESPONSIBILITIES AND DUTIES

The principal responsibilities and duties of the Committee in serving the purposes outlined in Section I of this Charter are set forth below. This Charter is not intended to establish by its own force any legally binding obligations and these duties are set forth as a guide with the understanding that the Committee will carry them out in a manner that is appropriate given the Company’s needs and circumstances. The Committee may alter or supplement them as appropriate and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities.
