Corporate Governance

General

Our Board has adopted Corporate Governance Guidelines, a Code of Business Conduct and Ethics and charters for our Nominating and Corporate Governance Committee, Audit Committee and Compensation Committee to assist the Board in the exercise of its responsibilities and to serve as a framework for the effective governance of the Company. You can access our current committee charters, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics in the "Governance" section of the "Investors" page of our website located at www.obalon.com, or by writing to our Secretary at our offices at 5421 Avenida Encinas, Suite F, Carlsbad, CA 92008.

Board Composition

Our Board currently consists of eight members: Kelly Huang, Ph.D., Andrew Rasdal, Kim Kamdar, Ph.D., Raymond Dittamore, Douglas Fisher, M.D., Les Howe, Sharon Stevenson, DVM Ph.D., and David Moatazedi. As set forth in our Charter, the Board is currently divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve until the third annual meeting following election. Our Charter and Bylaws provide that the authorized number of directors may be changed only by resolution of the Board. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The classification of our Board may have the effect of delaying or preventing a change of our management or a change in control of our company. Our directors may be removed only for cause and only by the affirmative vote of the holders of at least two-thirds of the voting power of the then-outstanding capital stock entitled to vote in the election of directors.

Director Candidates

The Nominating and Corporate Governance Committee is primarily responsible for identifying, considering and recruiting qualified candidates for Board membership. When formulating its Board membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from stockholders, management and others as it deems appropriate. The Board's policy is to encourage selection of directors who will contribute to the Company's overall corporate goals. The Nominating and Corporate Governance Committee may from time to time review and recommend to the Board the desired qualifications, expertise and characteristics of directors, including such factors as business experience, diversity and personal skills in or relevant to the medical device industry, finance, marketing, financial reporting and other areas that are expected to contribute to an effective Board. Exceptional candidates who do not meet all of these criteria may still be considered. In evaluating potential candidates for the Board, the Nominating and Corporate Governance Committee considers these factors in the light of the specific needs of the Board at that time. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee may also consider the director's past attendance at meetings and participation in and contributions to the

activities of the Board.

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting the names of the recommended individuals, together with appropriate biographical information and background materials, to the Nominating and Corporate Governance Committee, c/o Secretary, Obalon Therapeutics, Inc., 5421 Avenida Encinas, Suite F, Carlsbad, CA 92008. Assuming that appropriate biographical and background material has been provided on a timely basis, the Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Communications from Stockholders

The Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Secretary is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Secretary and Chairman of the Board consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications. Stockholders who wish to send communications on any topic to the Board should address such communications to the Board in writing: c/o Secretary, Obalon Therapeutics, Inc., 5421 Avenida Encinas, Suite F, Carlsbad, CA 92008.

Board Leadership Structure - Separation Chairman

Our Bylaws and Corporate Governance Guidelines provide our Board with flexibility to combine or separate the positions of Chairman of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of our Company. At the current time, the Board has determined that the Company and its stockholders best interests are served by Andrew Rasdal, former President and Chief Executive Officer, serving as Executive Chairman of the Board. Our Board has concluded that our current leadership structure is appropriate at this time as it allows our Chief Executive Officer and President, Kelly Huang, Ph.D., to focus primarily on strategy, operations, organizational issues and business prospects, while allowing Mr. Rasdal to focus on management oversight, board leadership, risk oversight and governance related issues. However, our Board will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Risk Oversight

Risk assessment and oversight are an integral part of our governance and management processes. Our Board encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through our three standing committees of the Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, and our Audit Committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also monitors compliance with legal and regulatory requirements and considers and approves or disapproves any related person transactions. Our Nominating and Corporate Governance Committee monitors the effectiveness of the Corporate Governance

Guidelines and our annual Board assessment. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Annual Board Evaluation

Our Corporate Governance Guidelines require the Nominating and Corporate Governance Committee to oversee an annual assessment by the Board of the Board's performance. As provided in our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee is responsible for establishing the evaluation criteria and implementing the process for such evaluation. The annual evaluation includes an evaluation of the Audit, Compensation and Nominating and Corporate Governance Committees.

Committees of the Board

Our Board has established three standing committees - Audit, Compensation and Nominating and Corporate Governance - each of which operates under a written charter that has been approved by our Board. All of the members of each of the Board's three standing committees are independent as defined under the NASDAQ rules. In addition, all members of the Audit Committee meet the independence requirements for Audit Committee members under Rule 10A-3 under the Securities Exchange Act of 1934, or the Exchange Act, and all members of the Compensation Committee meet the standards for independence specific to members of a compensation committee under the NASDAQ rules.

The current members of each of the Board committees and committee Chairs are set forth in the following chart.

NARRATIVE DISCLOSURE TO SUMMARY COMPENSATION TABLE

Base Salaries

We pay our named executive officers a base salary to compensate them for the satisfactory performance of services rendered to our Company. The base salary payable to each Named Executive Officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. Base salaries for our Named Executive Officers have generally been set at levels deemed necessary to attract and retain individuals with superior talent.

The 2018 base salary for Mr. Rasdal was set in November 2016. In 2017, the Compensation Committee approved base salary increases for each of Dr. Huang and Mr. Plovanic, each effective January 1, 2018, to reward the executives for their significant contributions to the development of the Company. The 2018 base salaries were \$650,000 for Mr. Rasdal, \$432,000 for Dr. Huang and \$400,000 for Mr. Plovanic.

Effective January 2, 2019, the Compensation Committee approved a base salary increase for Dr. Huang, to \$475,000, in connection with his promotion to Chief Executive Officer of the Company. Further, in connection with Mr. Rasdal's transition to Executive Chairman of the Board, effective January 2, 2019, Mr. Rasdal's base salary will decrease from \$650,000 to \$325,000. Mr. Plovanic's base salary was unchanged for 2019.

We expect that base salaries for the Named Executive Officers will be reviewed periodically by our Compensation Committee, with adjustments expected to be made generally in accordance with the considerations described above and to maintain base salaries at competitive levels.

Cash Incentive Payments and Sign on Bonuses

In 2018, each Named Executive Officer participated in our annual cash incentive compensation program under which cash incentive payments were awarded based on our corporate performance. For 2018, Mr. Rasdal's target cash incentive opportunity was 100% of his base salary; Dr. Huang's target was 55% of his base salary; and Mr. Plovanic's target was 45% of his base salary. Effective January 2, 2019, in connection with his promotion to serve as our Chief Executive Officer, the Compensation Committee approved a target bonus opportunity increase for Dr. Huang to 60% of his base salary. In connection with Mr. Rasdal's transition to Executive Chairman of the Board, Mr. Rasdal will not be eligible to participate in the Company's 2019 executive bonus program.

Annual bonuses for our executive officers are based on the achievement of corporate performance objectives. In 2018, these objectives were weighted equally and included (i) FDA approval of certain of our products, (ii) achieving improvements in product quality metrics as measured by specific reductions in complaint rates, (iii) meeting a specific goal relating to earnings before interest, depreciation, amortization and stock-based compensation (i.e., EBITDASC), and (iv) achieving a certain amount of revenue.

Each performance goal had both a target measure and an “upside” measure; if the “upside” measure was attained then the executive was eligible to receive an increase in cash incentive payment equal to 10% of the executive's base salary with respect to that measure.

Based on our 2018 performance, the revenue goal was not achieved, but the Company attained the “upside” with respect to the FDA approval goal and EBITDASC goal and the “target” for the remaining performance measure. Therefore, our Compensation Committee awarded 2018 annual cash bonuses under the cash incentive compensation program of \$520,000, \$199,800, and \$155,000 to Messrs. Rasdal, Huang and Plovanic, respectively.

Equity Awards

We award stock options and stock awards to our employees, including Named Executive Officers, as the long-term incentive component of our compensation program. Awards granted since our initial public offering in September 2016 were granted under the Obalon Therapeutics, Inc. 2016 Equity Incentive Plan (the “2016 Plan”); prior to our initial public offering, awards were granted under the Obalon Therapeutics, Inc. 2008 Equity Incentive Plan (the “2008 Plan”).

We typically grant equity awards to new hires upon their commencing employment with us and from time to time thereafter. Our stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as “incentive stock options” for U.S. federal income tax purposes. Generally, the stock options we grant vest over a four-year period, subject to the employee’s continued service with us on the vesting date, either in equal monthly installments over the four-year period or as to 25% of the total number of option shares on the first anniversary of the date of grant and in equal monthly installments over the following 36 months. Stock option grants that were made prior to our initial public offering under the 2008 Plan generally allow employees the opportunity to “early exercise” unvested stock options by purchasing shares underlying the unvested portion of an option subject to our right to repurchase any unvested shares for the lesser of the exercise price paid for the shares and the fair market value of the shares on the date of the holder’s termination of service if the employee’s service with us terminates prior to the date on which the option vests.

The following table sets forth the number of options granted to our Named Executive Officers in 2018. Information regarding Mr. Rasdal’s 2018 grant is set forth below.

Name	Grant Date	Number of Options (#)	Option Exercise Price (\$)
Kelly Huang, Ph.D.	1/2/2018	80,000(1)	\$7.15
William Plovanic	1/2/2018	100,000(2)	\$7.15

- (1) The option vested as to 1/6th of the shares underlying the option on September 6, 2018 (i.e., the one-year anniversary of Dr. Huang’s employment commencement date) and as to 1/48th of the shares underlying the option on each monthly anniversary of the grant date thereafter, subject to continued service. In addition, any portion of the option that vested prior to the date on which Dr. Huang relocated his primary residence in accordance with certain relocation obligations would not have been exercisable until such obligations were satisfied. Dr. Huang has satisfied the relocation obligations.
- (2) The option vests as to 1/48th of the shares underlying the option on each monthly anniversary of the grant date, subject to continued service. In addition, any portion of the option that vests will not be exercisable until Mr. Plovanic relocates his primary residence to within 35 miles of the Company’s headquarters (at the time of the relocation), provided that such relocation must occur no later than January 2, 2020. The option will automatically expire if Mr. Plovanic does not satisfy this requirement prior to or on January 2, 2020.

In addition, on January 2, 2018, Mr. Rasdal was granted a stock option covering 300,000 shares of our common stock with an exercise price of \$7.15 per share. Mr. Rasdal subsequently rescinded the stock option, without any consideration, and forfeited any rights and interests in such stock option. In accordance with SEC rules, the grant date fair value of Mr. Rasdal’s rescinded stock option is set forth in the Summary Compensation Table above in the column titled “Option Awards.”

The following table sets forth the number of restricted shares granted to our Named Executive Officers in 2018. Mr. Rasdal was not awarded any restricted shares.

Name	Grant Date	Number of Restricted Stock Awards (#)	Grant Date Fair Value (\$)
Kelly Huang, Ph.D.	5/15/2018	65,000(2)	\$183,950(1)
William Plovanic	5/15/2018	45,000(2)	\$127,350(1)

(1) Reflects the grant-date fair value of the restricted stock awards.

(2) The restricted stock award will vest in full on January 2, 2020, subject to the executive's continued service.

Other Elements of Compensation

We provide customary employee benefits to our full- and part-time employees, including our Named Executive Officers, including medical and dental benefits, short-term and long-term disability insurance, accidental death and dismemberment insurance and life insurance. In addition, eligible employees, including our Named Executive Officers, may participate in our tax-qualified employee stock purchase plan and purchase shares of our common stock on favorable terms with payroll deductions.

We also maintain a 401(k) retirement plan intended to qualify for favorable tax treatment under Section 401(a) of the Code for our employees, including our Named Executive Officers, who satisfy certain eligibility requirements. Under our 401(k) plan, all eligible plan participants may contribute between 1% and 100% of eligible compensation, on a pre-tax basis, into their accounts. We have not made a matching contribution under the plan on behalf of employees.

OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END TABLE

The following table presents, for each of the Named Executive Officers, information regarding outstanding equity awards held as of December 31, 2018. All stock options granted prior to our initial public offering in September 2016 are, to the extent unvested, early exercisable for shares of unvested restricted common stock and were granted under our 2008 Plan. Stock options granted after our initial public offering are generally not early exercisable and were granted under our 2016 Plan. Mr. Rasdal's January 2018 option granted was rescinded during 2018 and thus was not outstanding at December 31, 2018.

- (1) In the event that Mr. Rasdal is terminated by us without cause or resigns for good reason, not in connection with a change in control, then 100% of any unvested shares subject to the award will automatically vest, subject to Mr. Rasdal executing and not rescinding a general release of claims.
- (2) 25% of the shares underlying the award will vest on the first anniversary of the vesting commencement date, with the remaining shares vesting in equal monthly installments for the following 36 months, subject to continued employment. The options held by Messrs. Rasdal and Plovanic were granted prior to our initial public offering and therefore are early exercisable in full (regardless of vesting). In addition, any portion of the option that vested prior to the date on which Dr. Huang relocated his primary residence in accordance with certain relocation obligations would not have been exercisable until such obligations were satisfied. Dr. Huang has satisfied the relocation obligations.
- (3) Represents awards granted prior to our initial public offering. All unvested shares subject to the award will vest and will become exercisable, as applicable, in the event that we engage in a change of control transaction (as defined in the applicable option agreement).
- (4) Shares vest in equal monthly installments over 48 months from the vesting commencement date. The May 2016 option held by Mr. Rasdal was granted prior to our initial public offering and therefore is early exercisable in full, with the unvested options early exercisable into unvested restricted shares.
- (5) In the event that the holder is terminated by us without cause or resigns for good reason (a) as to Mr. Rasdal, not in connection with a change in control or (b) as to Dr. Huang, Mr. Rasdal and Mr. Plovanic, at any time during the three months prior to a change in control or during the period beginning on the closing of a change in control and ending on the first anniversary of

such closing, then 100% of any unvested shares subject to the award will automatically vest, subject to such holder executing and not rescinding a general release of claims.

- (6) 1/6th of the shares underlying the award vest on the first anniversary of the vesting commencement date, and as to 1/48th of the shares underlying the award on each monthly anniversary of the grant date thereafter, subject to continued service. In addition, any portion of the option that vested prior to the date on which Dr. Huang relocated his primary residence in accordance with certain relocation obligations would not have been exercisable until such obligations were satisfied. Dr. Huang has satisfied the relocation obligations.
- (7) 100% of the shares will vest on January 2, 2020, subject to continued service.
- (8) The market value of shares of restricted stock that have not vested is calculated by multiplying the fair market value of a share of our common stock on December 31, 2018 (\$2.07) by the number of unvested shares of restricted stock outstanding under the award.
- (9) 25% of the shares underlying the award will vest on the first anniversary of the vesting commencement date, with the remaining shares vesting in equal monthly installments for the following 36 months.
- (10) 1/48th of the shares underlying the award will vest on each monthly anniversary of the grant date, subject to continued service. In addition, any portion of the award that vests will not be exercisable until Mr. Plovanic relocates his primary residence to within 35 miles of the Company's headquarters (at the time of the relocation). The award will automatically expire if Mr. Plovanic does not satisfy this requirement prior to or on the second anniversary of the grant date.

EMPLOYMENT AGREEMENTS

Offer Letter with Andy Rasdal

In June 2008, we entered into an offer letter agreement with Mr. Rasdal, which included certain provisions related to his compensation. The offer letter provides for at-will employment and includes an annual base salary, a discretionary annual incentive bonus opportunity and standard employee benefit plan participation. As further described below, any severance benefits included in the offer letter agreement has been superseded by the retention agreement entered into between the Named Executive Officers and the Company.

Offer Letter with William Plovanic

In March 2016, we entered into an offer letter agreement with Mr. Plovanic related to our hiring him as our Chief Financial Officer, which included certain provisions related to his compensation.

The offer letter agreement provides for an annual base salary and eligibility to participate in the Company's annual cash bonus plan. Mr. Plovanic also received a signing bonus in the amount of \$100,000.

Pursuant to Mr. Plovanic's offer letter, he was granted a stock option to purchase 157,469 shares of Common Stock, adjusted to reflect the 2.9-to-1 reverse stock split effected in September 2016. The option will vest as to 25% of the shares on the first anniversary of the date of entering into the offer letter agreement, and on a monthly basis over a period of 36 months thereafter, in each case subject to Mr. Plovanic's continued employment. The option is early-exercisable and subject to certain accelerated vesting in the event Mr. Plovanic is terminated by the Company without "cause" or Mr. Plovanic resigns for "good reason" at any time during the one-year period after a "change in control", each, as described in the offer letter.

The offer letter agreement also provides for participation in our existing medical benefits program for employees. Mr. Plovanic's employment is at-will.

Offer Letter with Kelly Huang, Ph.D.

In September 2017, we entered into an offer letter agreement with Dr. Huang related to our hiring him as our Chief Operating Officer, which included certain provisions related to his compensation.

The offer letter agreement provides for an annual base salary and eligibility to participate in the Company's annual cash bonus plan, determined based on the achievement of applicable Company and/or individual performance goals. Dr. Huang also received a signing bonus in the amount of \$75,000. Dr. Huang would have been required to repay this signing bonus in full if he did not satisfy certain relocation obligations, which he satisfied in 2018. Under his offer letter, in 2018 the Company also reimbursed Dr. Huang for reasonable expenses for one round-trip coach class airfare ticket between Austin, Texas and San Diego, California for each month of the first year of his employment.

Pursuant to Dr. Huang's offer letter, he was granted a stock option to purchase 269,230 shares of common stock. The option will vest as to 25% of the shares on the first anniversary of the date of entering into the offer letter agreement, and on a monthly basis over a period of 36 months thereafter, in each case subject to Dr. Huang's continued employment. If any portion of the stock option that vested prior to the date on which Dr. Huang relocated his primary residence to the San Diego area, such portion would not have been exercisable until such relocation date. As mentioned above, Dr. Huang has satisfied this relocation requirement.

The offer letter agreement also provides for participation in our existing medical benefits program for employees. Dr. Huang's employment is at-will.

SEVERANCE AND CHANGE IN CONTROL BENEFITS

Option Agreements

Pursuant to the terms of the applicable option agreements, the February 2015 and May 2016 stock options, which were granted prior to our initial public offering, held by Messrs. Rasdal and Plovanic will vest in full upon a “change of control transaction” (as defined therein); no other options held by our Named Executive Officers, and no options granted after our initial public offering, are subject to “single-trigger” vesting. Additionally, we have entered into retention agreements with each of the Named Executive Officers that provide for certain payments and benefits upon termination of employment or a change of control of our company. The severance benefits provided in these retention agreements superseded any severance benefits provided in the Named Executive Officers’ offer letters.

Mr. Rasdal's severance benefits

The retention agreement that we entered into with Mr. Rasdal provides for the following benefits upon a qualifying termination, which means a termination by us without cause or a termination by the executive for good reason, outside of a change in control in exchange for a customary release of claims:

- (i) a lump sum severance payment of 12 months of base salary;
- (ii) 100% acceleration of any then-unvested equity awards, including awards that would vest only upon satisfaction of performance criteria; and
- (iii) payment of premiums for continued medical benefits (or equivalent cash payment if applicable law so requires) for up to 12 months.

If Mr. Rasdal is subject to a qualifying termination within the three months preceding a change in control (as defined in Mr. Rasdal’s retention agreement) (but after a legally binding and definitive agreement for a potential change of control has been executed) or within the 12 months following a change in control, the retention agreement provides the following benefits in exchange for a customary release of claims:

- (i) a lump sum severance payment of 12 months of base salary;
- (ii) a lump sum payment equal to the pro rata portion of Mr. Rasdal’s then-current target bonus opportunity;
- (iii) 100% acceleration of any then-unvested equity awards that were granted after our initial public offering; and
- (iv) payment of premiums for continued medical benefits (or equivalent cash payment if applicable law so requires) for up to 12 months.

Further, if a successor or acquiring entity does not assume, convert, replace or substitute Mr. Rasdal’s equity awards in a change of control, the vesting of those unvested awards will accelerate in full. Additionally, if Mr. Rasdal ceases to provide services to us due to his death or disability and such separation occurs within 12 months following a change in control or within three months preceding a change in control, Mr. Rasdal’s then-outstanding and unvested equity awards, including awards that would otherwise vest only upon satisfaction of performance criteria, will accelerate and become vested and exercisable as to 100% of the then-unvested shares. Mr. Rasdal’s retention agreement will be in effect for three years, with automatic three-year renewals unless notice of non-renewal is given by us to Mr. Rasdal three months prior to expiration.

As used in Mr. Rasdal’s retention agreement, “cause” means: (i) conviction for, or guilty plea to, a felony involving moral turpitude; (ii) an uncured willful refusal to comply with our lawful and reasonable instructions, or to otherwise perform duties as we lawfully and reasonably determine; (iii) any willful act of dishonesty intended to result in material gain or personal enrichment at the expense of us or any of our customers, partners, affiliates or employees; or (iv) any willful act of gross misconduct that is injurious to us.

“Good reason” means, without consent, and subject to certain exceptions, (i) a reduction in then-current base salary (except for a reduction that is part of a proportional reduction of the base salaries of all executives), bonus opportunity or commissions opportunity; (ii) our offices being moved such that the usual commuting distance is increased by more than 10 miles; (iii) a material and adverse change to duties or responsibilities; (iv) a change to title and/or role after which Mr. Rasdal is not both the Chief Executive Officer of the top-level acquiring entity whose stock is publicly traded and a voting member of its board of directors; (v) Mr. Rasdal is not, so

long as he is Chief Executive Officer, a voting member of our board of directors; or (vi) we provide notice that the retention agreement will not be renewed.

Dr. Huang's and Mr. Plovanic's severance benefits

The retention agreements that we entered into with Dr. Huang and Mr. Plovanic provide for the following benefits upon a qualifying termination, which means a termination by us without cause or a termination by the executive for good reason, outside of a change in control in exchange for a customary release of claims:

- (i) a lump sum severance payment of twelve months; and
- (ii) payment of premiums for continued medical benefits (or equivalent cash payment if applicable law so requires) for up to twelve months.

If either of Dr. Huang or Mr. Plovanic is subject to a qualifying termination within the three months preceding a change in control (as defined in the applicable retention agreement) (but after a legally binding and definitive agreement for a potential change of control has been executed) or within the 12 months following a change in control, the retention agreements provide the following benefits to such individual in exchange for a customary release of claims:

- (i) a lump sum severance payment of 12 months of base salary;
- (ii) a lump sum payment equal to the pro rata portion such individual's then-current target bonus opportunity;
- (iii) 100% acceleration of any then-unvested equity awards that were granted after our initial public offering; and
- (iv) payment of premiums for continued medical benefits (or equivalent cash payment if applicable law so requires) for up to 12 months.

Dr. Huang's retention agreement further provided that if he did not satisfy certain relocation obligations, then the Company may terminate his employment and such termination will not constitute a severance-qualifying event for purposes of his retention agreement unless it is in connection with a change in control. Dr. Huang has satisfied these relocation requirements.

Further, if a successor or acquiring entity does not assume, convert, replace or substitute the executive's equity awards in a change of control, the vesting of those unvested awards will accelerate in full. Each retention agreement is in effect for three years, with automatic three-year renewals unless notice is given by us to the Named Executive Officer three months prior to expiration.

As used in the retention agreements, "cause" means: (i) conviction for, or guilty plea to, a felony involving moral turpitude; (ii) an uncured willful refusal to comply with our lawful and reasonable instructions, or to otherwise perform duties as we lawfully and reasonably determine; (iii) any willful act of dishonesty intended to result in material gain or personal enrichment at the expense of us or any of our customers, partners, affiliates or employees; or (iv) any willful act of gross misconduct that is injurious to us.

"Good reason" means, without consent, and subject to certain exceptions, (i) a reduction in then-current base salary (except for a reduction that is part of a proportional reduction of the base salaries of all executives), bonus opportunity or commissions opportunity; (ii) our offices being moved such that the usual commuting distance is increased by more than 10 miles; and (iii) a material and adverse change to title, duties or responsibilities.

DIRECTOR COMPENSATION

Our director compensation program is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors' interests with those of our stockholders. Directors who are also employees of our Company do not receive compensation for their service on our Board of Directors.

In April 2017, the Board of Directors adopted a revised non-employee director compensation program (the "Director Compensation Program").

Under the Director Compensation Program, non-employee directors receive a cash retainer for service on the Board of Directors and for service on each committee of which the director is a member. The Chairperson of the Board and of each committee received a higher retainer for such service. Cash retainers are payable quarterly in arrears. The fees paid to non-employee directors for service on the Board of Directors under the Director Compensation Program is as follows:

Cash Compensation	
Board of Directors annual retainer	\$ 35,000
Incremental annual retainer for the Chairman	\$ 25,000
Committee Chair annual retainers	
Audit	\$ 17,500
Compensation	\$ 12,500
Nominating and Corporate Governance	\$ 7,500

In addition, under this program, each of our non-employee directors is eligible to receive an annual stock option grant to purchase a number of shares of common stock with a value of \$200,000 (determined using the Black-Scholes option value based on stock price on the date of grant), vesting in full on the earlier of the one-year anniversary of the grant date and the date of the annual meeting following the date of grant, subject to the director's continued service. On April 17, 2018, our non-employee directors elected to reduce the value of their 2018 annual stock option grants under this program to an annual grant to purchase a number of shares of common stock with a value of \$100,000, as opposed to \$200,000 (determined using the Black-Scholes option value based on stock price), in an effort to ensure that the Company will have a sufficient number of shares available for issuance under its equity compensation plans to grant equity awards in connection with new employee hires, promotions and the Company's annual equity award program to continuing employees in 2018. Additionally, new non-employee directors are eligible to receive a stock option to purchase a number of shares of common stock with a value of \$300,000 (determined using the Black-Scholes option value based on stock price on the date of grant), vesting in equal monthly installments over three years, subject to the director's continued service.

Under the terms of the 2016 Plan, the maximum aggregate number of shares subject to all equity awards granted to any non-employee director in a calendar year may not exceed 220,000 shares. Under the terms of the option grants made to our non-employee directors, upon a change in control all unvested shares subject to the stock options will vest in full.

In 2018, in accordance with the terms of the Director Compensation Program, all of our non-employee directors received their annual stock option grant, with a grant date value of \$100,000 shares, on June 13, 2018, the date of our annual meeting, covering 81,774 shares of our common stock.

We also reimburse our non-employee directors for reasonable travel and out-of-pocket expenses incurred in connection with attending Board of Directors and committee meetings.

The following table sets forth information regarding the compensation of our non-employee directors earned for services rendered during the year ended December 31, 2018:

Name(1)	Fees Earned or Paid in Cash \$(2)	Option Awards \$(3)	Total (\$)

- (1) Mr. Rasdal, our Chief Executive Officer in 2018, is not included in this table as he was an employee of the Company in 2018 and did not receive compensation for his services as a director. All compensation paid to Mr. Rasdal for the services he provided to us in 2018 is reflected in the Summary Compensation Table. Effective January 1, 2019, Mr. Rasdal serves as our Executive Chairman of the Board and will be paid as employee and will not receive additional compensation for his services as director.
- (2) Reflects cash retainer fees earned by our non-employee directors in 2018.
- (3) Amounts represent the aggregate grant date fair value of option awards computed in accordance with ASC Topic 718, excluding the effects of any estimated forfeitures. The assumptions used in the valuation of these awards are discussed in Note 7 to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018, filed with the SEC on February 22, 2019. As of December 31, 2018, the following outstanding option awards were held by members of our Board: Dr. Kamdar, 185,828 shares, Mr. Dittamore, 185,828 shares, Dr. Fisher, 185,828 shares, Mr. Howe, 159,966 shares, Mr. Moatazedi, 178,316 shares, and Dr. Stevenson, 185,828 shares. None of our non-employee directors hold any stock awards.
- (4) Mr. Shacknai resigned effective July 10, 2018. Mr. Shacknei forfeited his 2018 option grant in connection with his resignation.

In March 2019, the Board of Directors adopted a revised non-employee director compensation program (the “revised Director Compensation Program”). Our revised Director Compensation Program is largely identical to the one we adopted in 2017, except the annual equity awards will be in the form of restricted stock units, rather than stock options, and the value of such awards will be \$100,000, rather than \$200,000. Additionally, the annual restricted stock unit grants under our revised Director Compensation Program will vest in full on the earlier of the one-year anniversary of the grant date and the date of the annual meeting following the date of grant, and will be granted pursuant to a form of award agreement providing for a deferral of payment such that the shares subject to the award will be settled on the earliest of: (i) the three-year anniversary of the grant date; (ii) a “change of control event” for purposes of Section 409A of the Internal Revenue Code; and (iii) a “separation from service” within the meaning of Section 409A of the Internal Revenue Code.

The following table and accompanying footnotes set forth certain information with respect to the beneficial ownership of our common stock at April 18, 2019 for:

- each of our directors;
- each of our Named Executive Officers;
- all of our current directors and executive officers as a group; and
- each person, or group of affiliated persons, who beneficially owned more than 5% of our outstanding common stock.

We did not deem these shares outstanding, however, for

the purpose of computing the percentage ownership of any other person. ITEM 13. Certain Relationships and Related Transactions, and Director Independence

Director Independence

Our Board has determined that all of our directors, other than Andrew Rasdal and Kelly Huang, Ph.D., qualify as “independent” in accordance with the listing requirements of The NASDAQ Global Select Market (“NASDAQ”). The NASDAQ independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In addition, as required by NASDAQ rules, our Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors and us with regard to each director’s business and personal activities and relationships as they may relate to us and our management. Mr. Rasdal is not independent because he previously served as the President and Chief Executive Officer, and continues to serve as Executive Chairman of our Board. Dr. Huang is not independent because he is the President and Chief Executive Officer of the Company. There are no family relationships among any of our directors or executive officers.

Certain Relationships and Related Party Transactions

The following is a summary of transactions or agreements entered into or existing since January 1, 2018 to which we have been or will be a party in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers or beneficial holders of more than 5% of any class of our capital stock, or any immediate family member of, or person sharing a household with, any of these individuals, had or will have a direct or indirect material interest, other than compensation arrangements that are described under the section of this proxy statement captioned “Executive and Director Compensation.”

The purchase price for each share was \$1.82. The Offering closed on August 23, 2018. On August 22, 2018, the Company also entered into a Registration Rights Agreement with the investors. Pursuant to the Registration Rights Agreement, the Company agreed to prepare and file a registration statement with the SEC within 30 days after the closing of the Offering for purposes of registering the resale of the shares sold in the Offering. The Company also agreed to use its commercially reasonable efforts to cause this registration statement to be declared effective by the SEC within 60 calendar days after the closing of the Offering (90 days in the event the registration statement is reviewed by the SEC). The Company further agreed, among other things, to indemnify the selling holders under the registration statement from certain losses, claims, damages and liabilities and to pay all fees and expenses (excluding underwriting discounts and selling commissions) incident to the performance of, or compliance with, the Company’s obligations under the Registration Rights Agreement. Transactions with Bader

We are a party to a distribution agreement, originally entered into in June 2013, with Bader Sultan & Bros. Co. W.L.L., or Bader, a healthcare products distributor based in Safat, Kuwait and a stockholder of the Company. Pursuant to the distribution agreement, as amended on July 26, 2016, we appointed Bader as the exclusive distributor of our products in the Middle East. Sales to Bader for the year ended December 31, 2018 totaled \$4.4 million. The current agreement with Bader expires on December 31, 2019 and does not include the Obalon Navigation System. We are not automatically renewing the contract and, if we continued operations with Bader, we would have to negotiate a new agreement. Currently, we do not have regulatory approval for our Obalon Navigation System and Obalon Touch Inflation Dispenser in the Middle East. Bader was a 5% beneficial owner of our common stock during 2018, but no longer is a 5% beneficial owner.

Fourth Amended and Restated Investors' Rights Agreement

On April 29, 2016, we entered into an investors' rights agreement with certain holders of our common stock and holders of our convertible preferred stock, including entities with which certain of our directors are affiliated, including InterWest Partners X, L.P., Domain Partners VII, L.P., DP VII Associates, L.P., Okapi Ventures, L.P. and Okapi Ventures II, L.P. These stockholders are entitled to rights with respect to the registration of their shares following our initial public offering under the Securities Act. These rights include demand registration rights, Form S-3 registration rights and piggyback registration rights. In any registration made pursuant to such investors' rights agreement, all fees and expenses of underwritten registrations, including reasonable fees and disbursements of one counsel to the selling stockholders, will be borne by us and all selling expenses, including estimated underwriting discounts and selling commissions, will be borne by the holders of the shares being registered. The registration rights will terminate, as to each holder of registrable securities, on the date when such holder can sell all of its registrable securities in a single transaction pursuant to Rule 144 of the Securities Act.

Indemnification Agreements

In connection with our initial public offering, we entered into indemnification agreements with each of our directors and executive officers. These agreements, among other things, require us to indemnify our directors, officers and key employees for certain

expenses, including attorneys' fees, judgments, penalties, fines and settlement amounts actually incurred by these individuals in any action or proceeding arising out of their service to us or any of our subsidiaries or any other company or enterprise to which these individuals provide services at our request. Subject to certain limitations, our indemnification agreements also require us to advance expenses incurred by our directors, officers and key employees for the defense of any action for which indemnification is required or permitted. The indemnification agreements, our Charter and our Bylaws require us to indemnify our directors to the fullest extent not prohibited by Delaware law.

Review, Approval or Ratification of Transactions with Related Parties

Our Board has adopted a written related-person transactions policy that provides that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of our common stock, and any members of the immediate family or affiliates of the foregoing persons, are not permitted to enter into a material related-person transaction with us without the review and approval of our audit committee, or a committee composed solely of independent directors in the event it is inappropriate for our audit committee to review such transaction due to a conflict of interest. The policy provides that any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of our common stock or with any of their immediate family members or affiliates, in which the amount involved exceeds \$120,000 will be presented to our audit committee (or the committee composed solely of independent directors, if applicable) for review, consideration and approval. In approving or rejecting any such proposal, our audit committee (or the committee composed solely of independent directors, if applicable) will consider the relevant facts and circumstances available and deemed relevant to the audit committee (or the committee composed solely of independent directors, if applicable), including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction.
