**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On August 6, 2020, Obalon Therapeutics, Inc. (the “Company”) received two written notifications from the Nasdaq Listing Qualifications Staff of the Nasdaq Stock Market LLC (“Nasdaq”). The first written notification (the “First Notice”) notified the Company that it is not in compliance with Nasdaq Listing Rule 5450(b)(1)(A) based on the Company’s Quarterly Report on Form 10-Q for the quarter ended June 30, 2020, which reported the Company’s stockholders’ equity as \$7,178,000, which is below the minimum of \$10,000,000 in stockholders’ equity required for continued listing.

In accordance with such notice, the Company has 45 days from the date of the First Notice to submit a plan to regain compliance with all Nasdaq Global Market listing requirements. If the plan is accepted, Nasdaq may grant an extension of up to 180 calendar days from the date of the First Notice for the Company to regain compliance. If Nasdaq determines that such plan is not sufficient, the Company will have an opportunity to appeal the decision to a hearing panel. There can be no assurance that, if the Company does appeal Nasdaq’s determination to the hearing panel, that such appeal would be successful. If unsuccessful, the Company’s shares will be delisted. Alternatively, the Company may apply to transfer from the Nasdaq Global Market to the Nasdaq Capital Market if it satisfies all of the Nasdaq Capital Market’s listing requirements.

The second written notification (the “Second Notice”) notified the Company that the closing bid price for its common stock had been below \$1.00 for the last 30 consecutive business days and that the Company therefore is not in compliance with the minimum bid price requirement for continued inclusion on the Nasdaq Global Market under Nasdaq Listing Rule 5450(a)(1). The notification has no immediate effect on the listing of the Company’s common stock on Nasdaq.

Under the Nasdaq Listing Rules, the Company has a period of 180 calendar days from the date of the Second Notice to regain compliance with the minimum bid requirement. To regain compliance, the closing bid price of the Company’s common stock must be at least \$1.00 for a minimum of ten consecutive business days. If the Company does not regain compliance before February 2, 2021, the Company may be eligible for a second 180 calendar day period, provided that the Company meets the continued listing requirement for market value of publicly held shares and all other initial listing standards for Nasdaq, except the bid price requirement, and the Company provides written notice to Nasdaq of its intention to cure the deficiency during the second compliance period. If the Company is not eligible for the second compliance period or Nasdaq staff concludes that the Company will not be able to cure the deficiency during the second compliance period, Nasdaq will provide written notice to the Company that the Company’s common stock will be subject to delisting. In the event of such notification, the Company may appeal Nasdaq’s determination to delist its securities, but there can be no assurance that Nasdaq would grant the Company’s request for continued listing.

The Company intends to take all reasonable measures available to regain compliance under the Nasdaq Listing Rules and remain listed on the Nasdaq. There can be no assurance that the Company will be able to regain compliance with the minimum stockholders’ equity or bid price requirements, or will otherwise be in compliance with other Nasdaq Listing Rules.
